

## Observing Researching

This is what I have observed  
or noticed...  
This is what I know...  
This is what I read...

## Questioning

I have questions about...  
My questions are...

## Hypothesizing

I think the answer to  
my question might be...

## Planning

For my investigation, I will  
need ...In my investigation, I  
will collect ...

I will put my data in a table like  
this...  
I will graph my data like this....

## Investigating

I will look for answers to  
my question(s) by ...

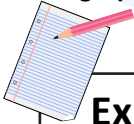

## Analyzing

The patterns I noticed are ...  
The patterns I found in my  
table and/or graph  
suggest ...

## Reporting Findings

The results of my  
investigation, in  
summary, are...

## Explaining Findings

My explanation is...  
My conclusions are...

## Continuing to Wonder

I still have  
questions about....

# Inquiry Toolbox

I can use my inquiry toolbox  
as often as I need to!
