

JUSTIFY!

The timed PowerPoint slideshow contains images of plants affected by external factors. For each slide, you will have 30 seconds to work as a team to identify any acquired traits you see. List the acquired traits in the table below and justify your answers.

| Slide # | Acquired traits observed | Justify! |
|---------|--------------------------|----------|
| 1 | | |
| 2 | | |
| 3 | | |
| 4 | | |
| 5 | | |
| 6 | | |
| 7 | | |
| 8 | | |
