

Chance Cards 1

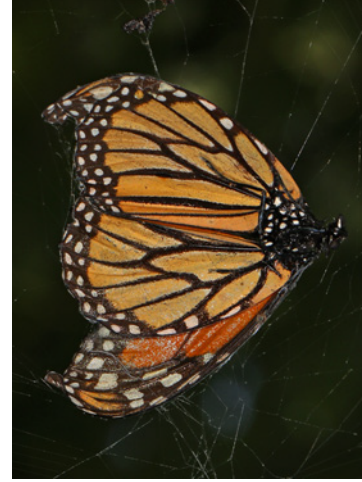

You have been captured by a scientist for tagging. Stay where you are. You will be released tomorrow.

It is too cold to fly today. Stay where you are until tomorrow.

Strong winds are blowing south. Move one more space toward the winter grounds.

A predator got your butterfly. Sorry. Go back to the starting space and begin again with another butterfly.

It is cloudy today. Rest where you are for one day. Continue your journey tomorrow.

It starts to rain. Your butterfly can't fly in the rain. Hide in a tree until tomorrow.

Chance Cards 2

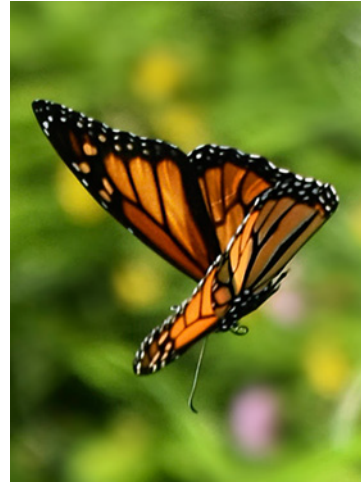

There aren't any flowers to feed on. Jump to the next pathway. Continue flying to Mexico.

It is too cold to fly today. Stay where you are until tomorrow.

Strong winds are blowing north. Move back one space.

Strong winds are blowing south. Move one more space toward the winter grounds.

Strong cross winds blow you to the next pathway. Continue flying to Mexico.

It starts to rain. Your butterfly can't fly in the rain. Hide in a tree until tomorrow.
